

Digital Switch Over

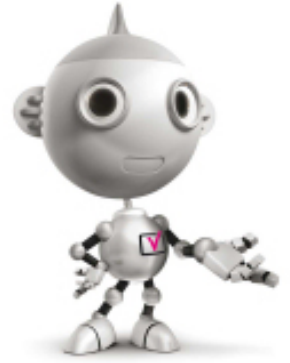

What is the Digital Television Switchover?

The Digital Television switchover is in the process of converting the UK's terrestrial television system to digital.

In the Granada Television Region, starting on 4th November 2009 and finishing on 2nd December 2009, the analogue television channels will be switched off and replaced with free-to-air digital TV and radio services (Freeview).

Switchover will extend Freeview coverage to the whole of the UK and free up airwaves for new services such as ultra-fast wireless broadband and mobile television.

Your Digital UK manager for the Granada TV region is Jo Waters. For further details Contact Jo on jo.waters@digitaluk.co.uk or phone 07949 770 409
